

MOBILE DEVELOPER

YOUR TASKS:

- You will develop new apps for multi-national clients and exciting start-ups
- Maintain existing projects
- Make apps more beautiful
- Occasionally work away from the primary office at Accounts sites for project intake meetings, client training sessions or similar

YOUR PROFILE:

- You like to keep up with cutting-edge technology
- You are a team player, but also can work independently
- You can work within deadlines
- You can work self-driven
- You have experience with mobile apps
- You have a good feeling for UX
- You love to code and solving tricky problems
- Experience with hybrid/ cross-platform mobile development in Quasar, NativeScript or similar. Good JavaScript knowledge (VueJS, native development experience is a plus)
- Fresh graduate is encouraged to apply.
